

## Sahih Bukhari English

The Most Authenticated Book of Hadith

Muhammad Ibn Ismail al-Bukhari popularly known as Imam Bukhari, (810-870AD), was a Sunni Islamic scholar. He authored the Hadith collection named *Sahih Bukhari*, a collection which Sunni Muslims regard as the most authentic of all Hadith compilations. Bukhari wrote three works discussing narrators of Hadith with respect to their ability in conveying their material: the "brief compendium of Hadith narrators," "the medium compendium" and the "large compendium". The large compendium is published and well-identified.

And the asylum (of protection) granted by any Muslim is to be secured by all the other Muslims; and whoever betrays a Muslim in this respect incurs the curse of Allah, the angels, and all the people, and none of his compulsory or optional good deeds of worship will be accepted, and whoever (freed slave) befriends (take as masters) other than his manumitters without their permission incurs the curse of Allah, the angels, and all the people, and none of his compulsory or optional good deeds of worship will be accepted.
